

Using our hands and hearts to praise God.

Helping Hands...Changing Lives is a volunteer ministry of Christ Lutheran Church of Spry. In 2010, on a Mission Trip to Biloxi, Mississippi, we felt called by God to travel less and do more.

This ministry is dependent upon volunteers and the prayer support of our entire congregation.

Helping Hands...
Changing Lives

A Ministry of Christ
Lutheran Church of
Spry

Helping Hands is a home based maintenance ministry of the congregation to repair, replace and assist our members and neighbors in maintaining and living in their homes.

“Unless the LORD builds the house, those who build it labor in vain.”

Psalm 127:1

Helping Hands... Changing Lives

We believe that God has given us all a variety of gifts, talents and experiences. We freely share those gifts with others and ask you to consider giving a helping hand for others in need and change lives for good.
